Re: Restaurant Design Concepts

To Whom It May Concern:

I am the Chef/Owner of Angela's Bistro & Bar and have had the pleasure of working with Jeff Young of Restaurant Design Concepts in the construction of our kitchen, and the design of our premises at Angela's. He stepped in and salvaged our project when our former designer left us in the lurch. He was very professional and his work was first class. We are open and enjoying great success is due in part to his hard work and that of his team. We can recommend him highly.
